

KINDERGÄRTEN
CITY

A child with blonde hair, wearing a leopard print shirt and orange striped pants, is crawling through a large, colorful tunnel made of fabric. The tunnel has a rainbow-like pattern with red, orange, yellow, and green sections. Another child is visible in the background, also crawling through the tunnel. The background is a bright, sunny outdoor area with a wooden fence and a green toy car.

NEW: Baby & Toddler Group
For children up to 24 months

Little Explorers. Big discoveries.

Our Baby & Toddler Group is a relaxed and welcoming space for little ones up to 24 months to play, explore and discover at their own pace. While they enjoy their surroundings, parents can meet other families from the neighbourhood, share experiences and make new connections. Come and spend a lovely morning with us.

**We look forward to welcoming you
and your family!**
